- During the Quarter ended 30th June 2020 the Company opened a branch 'The Brew Room Bread Boutique' from 1st May 2020.
- The Company's operations through-out the quarter has been completely impacted by the outbreak of COVID-19 pandemic including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues and costs. The Company's hotel and restaurants have been closed to public from day one of the first lock down (in March 2020) announced by the Central/ State Governments. This position continues even today and is expected to continue till detailed guidelines are issued by the Central/State Government for reopening. The lockdown has had a massive cascading effect with essentially insignificant revenues while having to bear with fixed costs with a ripple effect on the Company's other operations such as restaurants, gyms, spa etc. The Company has taken steps to meet its working capital demands and has also taken steps for cost optimisation at operational levels once the lockdown is lifted and the operations commence. For this purpose, the Company has considered internal and external sources of information up to the date of approval of the Financial Results. Based on the current estimates, the Company does not expect any significant impact on the carrying values of its assets. However, the impact of Covid-19 may be different from that estimated as at the date of approval of these unaudited financial results and the Company will continue to closely monitor any material changes to future economic conditions.
- The figures for the quarter ended 31st March 2020 represents the derived figure between the audited figures in respect of full financial year ended 31st March 2020 and published year-to-date reviewed figures upto 31st December 2019 being the date of the third quarter of the last financial year.
