AP CM Chandrababu Naidu unveils vision for Andhra Pradesh amidst

would surpass that of Telangana in certain metrics. He voiced concerns over the moratorium on development projects and called for asset liquidation to avert financial collapse, saying, "The state is on a ventilator." Naidu pledged to protect state properties, ensure the safety of girls, and complete the long-debated Polavaram project within two years. He also committed to providing water from the Godavari to the Penna rivers and investing in major infrastructure projects, stating, "We are undertaking projects worth lakhs of crores of rupees." The CM declared that investments are flowing into the state as confidence in his administration grows, asserting, "YCP will never come to power again."

Sky is the limit for development of tribals: President

the midst of a two-phase Assembly polls, with the second and final phase polling scheduled for November 20 while the first phase of polling took place on November 13.

"Last year, on the occasion of 'Janjatiya Gaurav Divas', Prime Minister Narendra Modi also visited Ulihatu and sought the blessings of Bhagwan Birsa Munda. That was the first visit of any Prime Minister to Ulihatu. This made the people of the tribal society very happy. On the same day, 'PM Janjati Adivasi Nyaya Maha-Abhiyan [PM-JANMAN]' was launched from Jharkhand," she said.

She noted how several tribal heroes such as Bhagwan Birsa Munda, the brave brothers Sidhu-Kanhu and Chand-Bhairav, Tilka Manjhi, Laxman Nayak and the brave sisters Phulo-Jhano had revolted against the injustice of British rulers.

"But people in general did not know much about those great heroes. Due to the efforts of the government, people have now become well acquainted with the stories of tribal freedom fighters," Ms. Murmu said.

Increase in budget outlay
Launching the various welfare schemes for the tribals, she noted that the budget of the Ministry of Tribal Affairs for this year was ₹13,000 crore, a 74% increase over last year's budget.

Recalling the start of her journey in public service as a member of the Tribal Advisory Council, Ms. Murmu said, "The immense love that I get from all the fellow citizens, including the people of the tribal communities, makes me emotional at times. Behind this feeling of mine is also the pleasant truth that today sky is the limit for the development of the people belonging to the tribal communities".

"No matter how high they aspire to fly, the society and the government are fully committed to supporting them," she added.

Tribal community ignored since Independence: PM

budgetary allocation for the tribal community was only Rs 25,000 Crores, which was increased to Rs 1,25,000 Crores by his government, he pointed out. Modi said that a lot of development works were initiated in tribal areas without damaging the heritage of tribals and protecting the natural beauty of the region. Such initiative had opened floodgates of vast eco-tourism opportunities in the area, which also created jobs for tribal youths, he added.

PM said districts dominated by tribals were so much ignored that officials were sent there as a punishment posting during earlier regimes. After his government was voted to power ten years back, such districts were declared 'aspirant districts' with more focus on development and welfare works under the guidance of young, energetic, and efficient officials, he further said adding that such steps taken by his government changed the scenario of tribal regions.

Modi said that the art and culture of tribal communities were also being protected by his government. Traditional treatment therapy used by tribals for long was also being protected, he said adding that the contribution of tribals in sports could also not be ignored. First National Sports University was opened in Manipur, he added.

Prime Minister said that under the "Lakshpati Didi" scheme, tribal Didis were also becoming lakshpatis. He clarified that those Didis earning Rs one lakh every year were declared lakshpati Didis and not based on their income of a particular year.

Chief Minister Nitish Kumar while speaking on the occasion said that Prime Minister Narendra Modi had done a lot of work for the tribal community. He appreciated Modi for his initiative for the development of tribal communities in the state.

Bihar Governor Rajendra Vishwanath Arlekar, Union Ministers Giriraj Singh, Chirag Paswan, Bihar Deputy Chief Ministers Samrat Chaudhary and Vijay Kumar Sinha, and several important dignitaries and descendants of Birsa Munda were also present on the occasion.

PM Modi's return to New Delhi delay:

the 150th birth anniversary of tribal leader Birsa Munda, celebrated as Janjatiya Gaurav Divas. "PM Modi left for Delhi from Deoghar in another special aircraft after his IAF plane developed a technical snag. The aircraft could not be rectified on time. PM had to wait for more than two hours," Deoghar Deputy Commissioner Vishal Sagar told PTI.

While Modi waited for the issue to be resolved, the region's airspace was declared a "no-fly zone". Meanwhile, Congress leader Rahul Gandhi was also caught in a similar situation in Godda, Jharkhand. Mr. Gandhi's helicopter, which was supposed to take him back after addressing an election rally, was grounded for about two hours, prompting allegations from the Congress that the delay was politically motivated. "Our leader Rahul Gandhi's helicopter was not allowed to take off for about two hours, posing a grave threat to his life. This was a security lapse at the behest of the Centre," State Minister Deepika Pandey Singh alleged.

ICC puts Champions trophy tour on hold after

tour kicks off in Islamabad on 16 November, also visiting scenic travel destinations like Skardu, Murree, Hunza and Muzaffarabad. Catch a glimpse of the trophy which Sarfaraz Ahmed lifted in 2017 at The Oval, from 16-24 November," PCB tweeted.

When an ICC Board Member was contacted, he told PTI: "The discussions on Trophy tour is still on. I am not aware if PCB had kept everyone in loop about the four cities mentioned but if not then it was certainly not the right thing to do. I don't think ICC will allow PCB to take the trophy to any disputed region."

Nara Lokesh addresses DSC process, says it will be completed by next

withdraw illegal cases that were filed against teachers during the previous YSRCP administration, reaffirming the government's commitment to resolving teacher-related issues.

Highlighting the historical context, Lokesh noted that the DSC has been conducted 15 times during the tenure of the Telugu Desam Party (TDP). He indicated that the current Kutami government is preparing to organize a Mega DSC event. Additionally, he mentioned that measures are being taken to increase the age limit for candidates applying for teaching positions. Nara Lokesh reiterated the administration's sincerity in addressing the challenges faced by teachers and promised their active involvement in the development of the Andhra Pradesh Model Education.

Jagan has no control over social media activists?

directions from Kadapa MP Avinash Reddy's personal assistant Raghava Reddy, the police could not find any evidence.

"Varra is a cranky fellow. He never used to listen to anybody, including from the YSRCP leadership, while posting abusive posts on social media," a source said. So is the case with Punch Prabhakar, who lives in USA and makes abusive comments on social media against Naidu, Lokesh and others. He has nothing to do with the YSRCP.

Similarly, actress Sri Reddy does videos and makes vulgar comments against NDA leaders out of her affiliation towards YSRCP and Jagan. Sources said Jagan has absolutely no control over these social media activists, who are his die-hard fans. They have nothing to do with the party nor do they expect any favours from Jagan.

"However, it was only after Sajjala Bhargav, son of YSRCP general secretary Sajjala Ramakrishna Reddy, took over as the in-charge of social media wing of the party, it has turned into an organised attack on Jagan's political rivals," sources said. Since Sajjala was allotted big money to run the social media, he started paying good amounts to the social media activists and made them post abusive comments against Jagan's political rivals, instead of using the medium for politically countering them, sources added.

Govt. committed to providing Godavari floodwaters to North Andhra

floodwaters will be supplied to Uttarandhra. The project, which aims at providing more than 63 tmcft water to irrigate 8,00,000 acres, will also fulfill the government's commitment to the people of the region," he said.

Interlinking of rivers
"The goal of Chief Minister N. Chandrababu Naidu is to mitigate drought through interlinking of rivers. The previous YSRCP government failed to execute the Sujala Sravanthi project work despite administrative sanction for Rs.17,050 crore in two phases," the Minister said. Despite financial challenges, the TDP-led NDA government had completed the process of tenders worth Rs.1,600 crore and released a timeline for the completion of the project, he said.

The Uttarandhra Sujala Sravanthi project would benefit districts such as Anakapalli, Vizianagaram, Visakhapatnam, Parvathipuram-Manyam, and Srikakulam, he said.

Chintamaneni upset with Naidu's 'soft' politics

the Jagan regime under various charges, including the SC/ST Atrocities Act, expressed his dissatisfaction. Despite being jailed and released on bail after a tough legal battle, he continues to face 25 cases, with the state high court recently dismissing two for lack of evidence. Chintamaneni criticized Naidu for not acting against the officials who allegedly harassed him.

"Those who filed cases against me are still holding their positions, some even promoted. What's worse, our own party leaders have helped them secure key postings," he lamented.

Former minister Palle Raghunath Reddy echoed similar concerns, stating he was booked in 14 false cases during the YSRCP regime. Despite the TDP coming to power, these cases remain unresolved, forcing him into prolonged legal battles.

The lack of action against lower-level officials continues to create resentment within TDP ranks, with leaders urging Naidu to address these grievances.
